

Recycling of ATRVC Brochures

We are 'recycling' the remaining brochures with stickers and by blanking out some words. See samples and information below.
Stickers are available from the Delegates and from the Secretary.

- Two stickers for the contact details of Merchandise Officer, Kylie Woodhead.
- Words blanked out to show only the one Joining Fee which is the same for couples, family or singles.

Member Benefits

- Third benefit to be crossed out – see Page 10 of the January magazine for details.
